   2.2 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates that has been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods and services to be purchased under this Invitation for Bids.

   2.3 Bidders who are or have been declared ineligible due to corrupt and fraudulent practices shall not be allowed to participate in the bid.

3. Eligible Services

   All goods and services to be supplied under the Contract shall conform to the requirements in the Schedule of Requirements and all expenditure made under the Contract will be limited to those services.

4. Cost of bidding

   Bidders shall bear all the costs associated with the preparation and submission of their bids, and the Purchaser named in the Bid Data Sheet, hereinafter referred to as the Purchaser, shall in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

B. The Bidding Documents

5. Content of bidding documents

   5.1 The Services required, bidding procedures, and Contract terms are prescribed in the bidding documents. In addition to the Invitation for Bids, the bidding documents include the:

   (a) Instructions to Bidders (ITB);
   (b) Bid Data Sheet;
   (c) General Conditions of Contract (GCC);
   (d) Special Conditions of Contract (SCC);
   (e) Schedule of Requirements;
   (f) Bid Form;
5.2 Bidders shall examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all the information required as provided in the bidding documents or to submit a bid not substantially responsive to the bidding documents in every respect shall be at the Bidder’s risk and may result in the rejection of a bid.

6. Clarification of Bidding Documents

A prospective Bidder requiring any clarification on a bidding document may notify the Purchaser in writing or facsimile at the Purchaser’s address indicated in ITB Clause 18.2 (a). The Purchaser shall respond in writing to any request for clarification of the bidding documents, which it receives no later than seven (7) days prior to the deadline for the submission of bids prescribed in the Bid Data Sheet. Written copies of the Purchaser’s response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective Bidders that have received the bidding documents.

7. Amendment of bidding documents

7.1 The Purchaser may at any time prior to the deadline for the submission of bids for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, amend the bidding documents.

7.2 All prospective Bidders that have received the bidding documents shall be notified of the amendment in writing or by cable, and the amendment shall be binding on them.

7.3 In order to allow prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser may, at its discretion, extend the deadline for the submission of bids.

C. Preparation of Bids

8. Language of bid

The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in the language specified in the Bid Data Sheet. Supporting documents and printed literature furnished by the Bidder may be in another language provided they are accompanied by an accurate translation of the relevant passages in the language specified in the Bid Data Sheet, in which case, for purposes of the interpretation of the bid, the translation shall govern.

9. Documents comprising the bid

The bid prepared by the Bidder shall comprise the following components:

(a) a Bid Form and price schedule completed in accordance with ITB Clauses 10, 11 and 12;
7

11. Bid prices

11.1 The Bidder shall indicate on the appropriate Price/rate Schedule (where applicable) and total bid price of the goods and services it proposes to supply under the Contract.

11.2 Prices quoted by the Bidder shall be fixed during the Bidder’s performance of the contract and shall not be subject to variation on any account, unless otherwise specified in the Bid Data Sheet. A bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to ITB Clause 24. If, however, in accordance with the Bid Data Sheet, the prices quoted by the Bidder shall be subject to adjustment during the performance of the Contract, a bid submitted with a fixed price quotation will not be rejected, but the price adjustment will be treated as zero.

12. Bid currencies

Prices shall be quoted in the currency of the Purchaser’s country, unless otherwise specified in the Bid Data Sheet.

13. Documents establishing bidder’s eligibility and qualification

13.1 Pursuant to ITB Clause 9, the Bidder shall furnish, as part of its bid, documents establishing the Bidder’s eligibility to bid and its qualifications to perform the Contract if its bid is accepted.

13.2 The documentary evidence of the Bidder’s eligibility to bid shall establish to the Purchaser’s satisfaction that the Bidder, at the time of submission of its bid, is eligible as defined under ITB Clause 2.

Pursuant to ITB Clause 9, the Bidder shall furnish, as part of its bid, documents establishing the eligibility and conformity to the bidding documents of all services, which the Bidder proposes to supply under the Contract.

15. Bid security

15.1 Pursuant to ITB Clause 9, the Bidder shall furnish, as part of its bid, a bid security in the amount specified in the Bid Data Sheet.

15.2 The bid security is required to protect the Purchaser against the risk of Bidder’s conduct that would warrant the forfeiture of the security, pursuant to ITB Clause 15.7.

15.3 The bid security shall be denominated in the currency of the bid or in another freely convertible currency, and shall be in one of the following forms:

   (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the Purchaser’s country or abroad, in the form provided in the bidding documents or another form acceptable to the Purchaser and it shall be valid for thirty (30) days beyond the validity of the bid; or

   (b) a bank certified cheque.

15.4 Any bid not secured in accordance with ITB Clauses 15.1 and 15.3 will be rejected by the Purchaser as non-responsive, pursuant to ITB Clause 24.

15.5 An unsuccessful Bidder’s bid security will be discharged or returned as promptly as possible but not later than thirty (30) days after the expiration of the period of the validity of the bid prescribed by the Purchaser pursuant to ITB Clause 16.

15.6 The successful Bidder’s bid security will be discharged upon the Bidder signing the Contract, pursuant to ITB Clause 33, and furnishing the performance security, pursuant to ITB Clause 34.
15.7 The bid security may be forfeited:

(a) if a Bidder withdraws its bid during the period of the validity of the bid specified by the Bidder on the Bid Form; or

(b) if a Bidder does not accept the correction of errors pursuant to ITB Clause 24.2; and

(c) in the case of a successful Bidder, if the Bidder fails to:

(i) sign the Contract in accordance with ITB Clause 33; or

(ii) furnish the performance security in accordance with ITB Clause 34.

16. Period of validity of bids

16.1 Bids shall remain valid for the period specified in the Bid Data Sheet after the date of the opening of the bid prescribed by the Purchaser, pursuant to ITB Clause 19. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.

16.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing or by facsimile. The bid security provided under ITB Clause 15 shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request shall not be required nor permitted to modify its bid, except as provided in ITB Clause 16.3.

16.3 In the case of a fixed price Contract, if the award is delayed by a period exceeding sixty (60) days beyond the expiry of the initial validity of the bid, the Contract price may be adjusted by a factor specified in the request for extension.

17. Format and signing of bids

17.1 The Bidder shall prepare an original and the number of copies of the bid indicated in the Bid Data Sheet, clearly marking each "ORIGINAL BID" and "COPY OF BID" as appropriate. In the event of any discrepancy between them, the original shall govern.

17.2 The original and the copy or copies of the bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorised to bind the Bidder to the Contract. All pages of the bid, except for un-amended printed literature, shall be initialed by the person or persons signing the bid.

17.3 Any interlineations, erasures, or overwriting shall be valid only if they are initialed by the person or persons signing the bid.
17.4 The Bidder shall furnish information as described in the Form of Bid on commissions or gratuities, if any, paid or to be paid to Contractors relating to this Bid, and to the execution of the Contract if the Bidder is awarded the Contract.

### D. Submission of Bids

#### 18. Sealing and marking of bids

18.1 The Bidder shall seal the original and each copy of the bid in separate envelopes, duly marking the envelopes as *ORIGINAL* and *COPY*. The envelopes shall then be sealed in an outer envelope.

18.2 The inner and outer envelopes shall:

(a) be addressed to the Purchaser at the address specified in the Bid Data Sheet; and

(b) bear the Project name indicated in the Bid Data Sheet, the Invitation for Bids (IFB) title and number indicated in the Bid Data Sheet, and a statement: *DO NOT OPEN BEFORE*, to be completed with the time and the date specified in the Bid Data Sheet, pursuant to ITB Clause 22.1.

18.3 The inner envelopes shall also indicate the name and address of the Bidder to enable the bid to be returned unopened in the event that it is declared *late*.

18.4 If the outer envelope is not sealed and marked as required by ITB Clause 18.2, the Purchaser shall not assume responsibility for the bid’s misplacement or premature opening.

#### 19. Deadline for submission of bids

19.1 Bids shall be received by the Purchaser at the address specified under ITB Clause 18.2 no later than the time and date specified in the Bid Data Sheet.

19.2 The Purchaser may, at its discretion, extend the deadline for the submission of bids by amending the bidding documents in accordance with ITB Clause 7, in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline shall thereafter be subject to the deadline as extended.

#### 20. Late bids

Any bid received by the Purchaser after the deadline for the submission of bids prescribed by the Purchaser pursuant to ITB Clause 19 shall be rejected and returned unopened to the Bidder.

#### 21. Modification and withdrawal of bids

21.1 The Bidder may modify or withdraw its bid after submission of the bid, provided that written notice of the modification, including substitution or withdrawal of the bids, is received by the Purchaser prior to the deadline prescribed for the submission of bids.
21.2 The Bidder’s modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of ITB Clause 18. A withdrawal notice may also be sent by cable, but followed by a signed confirmation copy, postmarked no later than the deadline for the submission of bids.

21.3 A bid may not be modified after the deadline for the submission of bids.

21.4 A bid may not be withdrawn in the interval between the deadline for the submission of bids and the expiration of the period of the validity of the bid specified by the Bidder on the Bid Form. Withdrawal of a bid during this interval may result in the Bidder’s forfeiture of its bid security, pursuant to the ITB Clause 15.7.

E. Opening and Evaluation of Bids

22. Opening of bids by the Purchaser

22.1 The Purchaser shall open all bids in the presence of the Bidders’ representatives who choose to attend, at the time, on the date, and at the place specified in the Bid Data Sheet. The Bidders’ representatives who are present shall sign a register evidencing their attendance.

22.2 The Bidders’ names, bid modifications or withdrawals, bid prices, discounts, and the presence or absence of requisite bid security and such other details as the Purchaser, at its discretion, may consider appropriate, will be announced at the opening. A bid shall not be rejected at the opening of the bid, except for late bids, which shall be returned unopened to the Bidder pursuant to ITB Clause 20.

22.3 Bids (and modifications sent pursuant to ITB Clause 21.2) that are not opened and read out at the opening of the bid shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids shall be returned unopened to the Bidders.

22.4 The Purchaser shall prepare minutes of the opening of the bid.

23. Clarification of bids and site visit

23.1 During evaluation of the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

24. Preliminary examination

24.1 The Purchaser shall examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

24.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by
multiplying the unit price and quantity, the unit price shall prevail, and
the total price shall be corrected. If the Contractor does not accept the
 correction of the errors, its bid shall be rejected, and its bid security may
be forfeited. If there is a discrepancy between words and figures, the
amount in words shall prevail.

24.3 The Purchaser may waive any minor informality, nonconformity, or
irregularity in a bid which does not constitute a material deviation,
provided such waiver does not prejudice or affect the relative ranking of
any Bidder.

24.4 Prior to the detailed evaluation, pursuant to ITB Clause 26, the Purchaser
will determine the substantial responsiveness of each bid to the bidding
documents. For purposes of these Clauses, a substantially responsive
bid is one which conforms to all the terms and conditions of the bidding
documents without material deviations. Deviations from, or objections
or reservations to critical provisions, such as those concerning Bid
Security (ITB Clause 15), Applicable Law (GCC Clause 16), and Taxes
and Duties (GCC Clause 7), shall be deemed to be a material deviation.
The Purchaser’s determination of a bid’s responsiveness shall be based
on the contents of the bid itself without recourse to extrinsic evidence.

24.5 If a bid is not substantially responsive, it shall be rejected by the
Purchaser and may not subsequently be made responsive by the Bidder
by correction of the nonconformity.

25. Conversion to single currency

25.1 To facilitate evaluation and comparison, the Purchaser shall convert all
bid prices expressed in the amounts in various currencies in which the
bid prices are payable to either:

(a) the currency of the Purchaser’s country at the selling exchange
rate established for similar transactions by the Central Bank or a
commercial bank in the Purchaser’s country;

or

(b) a currency widely used in international trade, such as U.S. dollars,
at the selling rate of exchange published in the international press
for the amount payable in foreign currency; and at the selling
exchange rate established for similar transactions by the Central
Bank in the Purchaser’s country for the amount payable in the
currency of the Purchaser’s country.

25.2 The currency selected for converting bid prices to a common base for
the purpose of evaluation, along with the source and date of the
exchange rate, are specified in the Bid Data Sheet.

26. Evaluation and comparison of bids

26.1 The Purchaser will evaluate and compare the bids which have been
determined to be substantially responsive, pursuant to ITB Clause 24.
26.2 The Purchaser’s evaluation of a bid will take into account, in addition to the price quoted in accordance with ITB Clause 11.2, one or more of the following factors as specified in the Bid Data Sheet:

(a) Experience of the firm related to the assignment (to be verified from submitted references and company profiles);

(b) Location of the service station relative to ZDA offices;

(c) Methodology statement for the provision of Fuel and Lubricants;

(d) Certificate of incorporation;

(e) Valid Tax Clearance Certificate: respondents to this tender are required to obtain a Tax Clearance Certificate from the ZAMBIA REVENUE AUTHORITY issued in accordance with Section 81B of the Income Tax Act, Cap 323. Failure to submit the Tax Clearance Certificate WILL invalidate ones response to this tender.

(f) Necessary licenses (e.g. from the Energy Regulation Board of Zambia) to buy, sell or deal in Fuel and Lubricants;

(g) Preferential Procurement Margins:

   Evaluation for bidders registered with the Citizen Economic Empowerment Commission (CEEC) in accordance to the Statutory Instrument (SI) 36 (2011) of the Zambia Public Procurement Act No.12 of 2008 will be as follows:

   (i) For a Citizen influenced Company, by 4% (four percent);
   (ii) For Citizen empowered Company by 8% (eight percent);
   (iii) For Citizen owned Company by 12% (twelve percent).

   Bidders who fall under these categories should show proof to be considered for the preferential schemes.

(h) other specific criteria indicated in the Bid Data Sheet and/or in the Technical Specifications.

27. Contacting the Purchaser

27.1 Subject to ITB Clause 23, a Bidder shall not contact the Purchaser on any matter relating to its bid, from the time of the opening of the bid to the time the Contract is awarded. If the Bidder wishes to bring additional information to the notice of the Purchaser, it should do so in writing.

27.2 Any effort by a Bidder to influence the Purchaser in its decisions on the bid evaluation, bid comparison, or Contract award may result in the rejection of the Bidder’s bid.

F. Award of Contract

</table>
| 28. Post-qualification | 28.1 In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the best evaluated responsive bid is qualified to perform the Contract satisfactorily, in accordance with the criteria listed in ITB Clause 13.3.  

28.2 The determination shall take into account the Bidder’s financial, technical, and production capabilities. The determination **SHALL** be based on an examination of the documentary evidence of the Bidder qualifications submitted by the Bidder, pursuant to ITB Clause 13.3, as well as such other information as the Purchaser considers necessary and appropriate.  

28.3 An affirmative determination shall be a prerequisite for the award of the Contract to the Bidder. A negative determination shall result in rejection of the Bidder’s bid, in which event the Purchaser will proceed to the next best evaluated bid to make a similar determination of that Bidder’s capabilities to perform satisfactorily. |
| 29. Purchaser’s right to vary quantities | The Purchaser reserves the right at the time of Contract award to increase or decrease, by the percentage indicated in the Bid Data Sheet, the quantity of services originally specified in the Schedule of Requirements without any change in unit prices or other terms and conditions. |
| 30. Award criteria. | Subject to ITB Clause 31, the Purchaser **will** award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and the best evaluated bid provided that the Bidder is determined as being qualified to perform the Contract satisfactorily. |
| 31. Purchaser’s right to accept any bid and to reject any or all bids | The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to the award of the Contract, without thereby incurring any liability to the affected Bidder or Bidders. |
| 32. Notification of award | Prior to the expiration of the period of bid validity, the Client will notify the successful Bidder in writing, that its bid has been accepted. The notification of award will constitute the formation of the Contract. After publication of the award, unsuccessful Bidders may make a request in writing to the Client for a debriefing seeking an explanation on the grounds on which their bids were not selected. The Client shall promptly respond in writing to any unsuccessful Bidder who, after publication of the contract award, requests a debriefing. |
33. Signing of Contract

33.1 At the same time as the Purchaser notifies the successful Bidder that its bid has been accepted, the Purchaser shall send the Bidder the Contract Form provided in the bidding Documents, incorporating all agreements between the Parties.

33.2 Within fourteen (14) days of receipt of the Contract Form, the successful Bidder shall sign and date the Contract and return it to the Purchaser.

34. Performance security

34.1 Within fourteen (14) days of receipt of the notification of award from the Purchaser, the successful Bidder shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the bidding documents, or in another form acceptable to the Purchaser.

34.2 Failure of the successful Bidder to comply with the requirement of ITB Clause 33 or ITB Clause 34.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the Purchaser may award the next best evaluated Bidder or call for new bids.

35. Corrupt or Fraudulent Practices

The Purchaser requires Bidders to observe the highest standard of ethics during the procurement and execution of such a Contract. In pursuance of this policy, the Purchaser:

(a) defines, for the purposes of this provision, the terms below as follows:

(i) ‘corrupt practices’ means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in the execution of the Contract; and

(ii) ‘fraudulent practices’ means a misrepresentation of facts in order to influence a procurement process or the execution of a Contract to the detriment of the Purchaser and includes collusive practices among Bidders (prior to or after submission of a bid) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition;

(b) shall reject a proposal for an award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract in question;

(c) shall declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a ZDA-financed Contract if it at any time determines that the firm has engaged in corrupt practices or fraudulent practices in competing for, or in executing, a ZDA-financed Contract.
The following specific data for the service to be procured shall complement, supplement, or amend the provisions in the Instructions to Bidders (ITB). Whenever there is a conflict, the provisions herein shall prevail over those in the ITB.
